Employees must disclose to their immediate supervisor information of any transaction that may be considered a conflict of interest as soon as they know the facts. No employee may negotiate or bid for, or enter into a contract in which the employee has a private pecuniary interest, direct or indirect, if at the same time the employee is authorized or required by law to participate in the employee's capacity as an employee in the making of that contract or to perform in regard to that contract some official function requiring the exercise of discretion on the employee's part. No employee may, in the employee's capacity as an employee, participate in the making of a contract in which the employee has a private pecuniary interest, direct or indirect, or performs in regard to that contract some function requiring the exercise of discretion on the employee's part. *See Wis. GIFTS AND SALE OF GOODS AND SERVICES

- A. **Gifts:** An employee or a member of the employee's immediate family may not accept, directly or indirectly, any gift, money, gratuity, or other consideration or favor of any kind from anyone other than the District that a reasonable person would understand was intended to influence official action or judgment of the employee in executing decision-making authority affecting the District, its employees or students. It shall not be considered a violation of this policy for an employee to receive incidental entertainment, food, refreshments, meals, or similar amenities, that are provided in connection with a conference or similar work-related activity where the employee's supervisor has reviewed the agenda for the conference or other activity and concluded that such incidentals primarily facilitate the employee's attendance at and participation in the activity, and, therefore, primarily benefit the District rather than serving primarily as a personal benefit. Exceptions to this policy are acceptance of minor items, which are generally distributed to all by companies through public relations programs. Teachers should accept only gifts of token value from students.

It is the District's policy for individuals to decline gifts, gratuities or favors from any outside organization or individual doing business or seeking to do business with the District. Gifts that are intended for the benefit of the District should be referred to **See Suring District Policy 7230** for proper processing under the District's policy on gifts and solicitations and the terms of § 118.27, Wis. Larger gifts to employees as an individual and gifts of more than a nominal or insignificant value should be graciously declined. Please refer to § 19.59, Wis. Stats. for information on conflicts of interest and for staff gifts and solicitations.

- B. **Sale of Goods and Services:** No District employee may receive for his or her personal benefit anything of value from any person other than the District to sell, promote the sale of or act as an agent or solicitor for the sale of any goods or services to any public school pupil while on the property of the District or at an activity of the District. § 118.12, Wis. Personnel files can be found in the District Administrator's Office. Employees are expected to know the expiration date of their license/certification and meet the requirements for re-licensure or certification in a timely manner. OUTSIDE EMPLOYMENT

Outside employment is regarded as employment for compensation that is not within the duties and responsibilities of the employee's regular position with the school system. Personnel shall not be prohibited from holding employment outside the District as long as such employment does not interfere with assigned school duties as determined by the District. The School Board expects employees to devote maximum effort to the position in which employed. An employee will not perform any duties related to an outside job during regular working hours or for professional employees during the additional time that the responsibilities of the District's position require; nor will an employee use any District facilities, equipment or materials in performing outside work. When the periods of work are such that certain evenings, days or vacation periods are duty free, the employee may use such off-duty time for the purposes of non-school employment. **See Suring District Policy 3230, 3231, 4230, 4231**

Any teacher shall have the right and opportunity to discuss with the Administration any matter pertaining to his/her file. All information forming the basis for disciplinary action will be made available to the teacher. The location of the one official file will be in the District Administrator's office only. **See Suring District Policy 8320** and § 103.13(4) Wis. Stats.

- C. Legal Proceedings

- D. Appearance Before Board

No employee shall be required to appear before the Board or its agents concerning any matter which could adversely affect the continuation of that employee in his/her office, position, employment or the salary of any increments pertaining thereto, unless he/she has been given prior written notice of the reason for such a meeting or interview and shall be entitled to have a representative present.

E. Personal Life

The personal life of an employee is an appropriate concern of the Board only as it may affect the employee in properly performing his/her assigned responsibilities during the school day or has an ascertainable effect or impact upon the school district.

F. Other Laws

Nothing contained herein shall be construed to deny or to restrict for any employee such rights as he/she has under the laws of Wisconsin and the United States or other applicable laws, decisions and regulations. The rights granted to employees hereunder shall be considered to be in addition to those provided elsewhere.

POSITION DESCRIPTIONS

Position descriptions are available for inspection for each District employee. WELLNESS

- A. Educational Environment: District employees are encouraged to facilitate a healthy learning atmosphere for students to promote wellness. The District encourages staff to use foods of a high nutritional value in fundraising activities and to create an educational environment that supports the promotion of healthy food and beverage choices for students. Using food as a learning or behavior incentive should be kept to a minimum. Incentives shall be healthy food choices. The withholding of a meal as punishment is prohibited.
- B. Employee Wellness: The District shall encourage healthy behaviors by providing wellness programs, educational opportunities and a healthy work environment for employees. Employees may be required to complete a health risk assessment annually administered by our health insurance provider.

WORKPLACE SAFETY

- A. Adherence to Safety Rules: All employees shall adhere to District safety rules and regulations and shall report unsafe conditions or practices to the appropriate supervisor. Fire safety is an essential element of having a safe working environment. Employees should know the following: location of fire alarms; location of fire extinguishers; evacuation routes; and whom to notify in case of fire. Employees need to take precautions to prevent fires from occurring. In the event of a fire, the most important task is to sound the alarm and clear the building. Employees should not risk their safety in fighting fires.
- B. Protection of Staff: An employee shall report all cases of assault or injury suffered in connection with employment in the performance of duties to the District Administrator or his/her designee, who shall acknowledge receipt of such report and keep the staff involved and informed of action taken.
 - 1. "Injury" means physical harm to an employee caused by accident or disease in the performance of duties by the employee.

- 2. "Performance of duties" means duties performed within the employee's authorized scope of employment and performed in the line of duty.
- C. **Notification of Safety and Health Standards:** Section 101.55 of the Wisconsin statutes requires the Wisconsin Department of Safety and Professional Services to adopt and enforce safety and health standards that will provide protection to public employees at least equal to that provided to private sector employees under standards promulgated by federal Occupational Safety and Health Administration (OSHA). A District employee who believes that a safety or health standard is being violated, or that a situation exists which poses a recognized hazard likely to cause death or serious physical harm, may request the District to conduct an internal review of the matter. Furthermore, the employee may request the Wisconsin Department of Safety and Professional Services to conduct an inspection.
See Suring District Policy 7430

In accordance with relevant state law, the grievance procedure established by the District permits employees to file grievances over workplace safety. For purposes of that procedure, the following guidelines shall apply:

- 1. A grievance can be filed over workplace safety only if the safety of at least one employee is involved (as opposed to the safety of students or visitors).
 - 2. The issue must concern the safety of a person (e.g., not the "safety" of one's vehicle or other personal possessions).
 - 3. The grievance must be filed by the affected employee(s) (i.e., one employee may not file on behalf of another).
 - 4. The individual(s) filing the grievance must propose a specific remedy.
 - 5. The issue and proposed remedy must be under the reasonable control of the District.
- D. **Weapons Prohibition:** Except as otherwise permitted by this section, firearms and dangerous weapons are prohibited on all property of the District. The prohibition includes firearms in vehicles on school property. Firearms and dangerous weapons have the definitions set forth in the following statutory provisions: WIS. STAT. §§ 120.13(1), 948.60, 605, .61.
- 1. This prohibition does not apply where state law prohibits a school district from restricting any individual's right to possess a firearm or other weapon in a location covered by this policy (e.g., law enforcement officers possessing a firearm or other weapon on school grounds in the line of duty).
 - 2. The building principal may allow a weapon on school premises for purposes of demonstration or educational presentations. This approval must be in writing and granted prior to the weapon being brought to the school. The weapon shall be maintained in the possession of the principal except during the actual demonstration or presentation.
 - 3. Firearms or other weapons used for hunting may be allowed on school property for hunter safety classes, but only during non-school hours and after approval, in writing, from the District Administrator. The person(s) conducting the hunter safety class will assume responsibility for the safe handling and care of the firearms/weapons and see to it that all firearms/weapons are removed from the premises promptly after the class.
- E. **Disaster Preparedness:** All employees must become familiar with building procedures in the event of emergency such as fire, tornado, intruders, etc. When drills are staged, every staff member and student must follow proper procedures. **See Suring School Emergency Response Plan (SERP) and Suring District Policy 8420**

GRIEVANCE PROCEDURES

DEFINITIONS:

- A. A grievance shall mean a dispute regarding the application of School Board policies regarding an employee's discipline or termination of employment, or a dispute concerning workplace safety. No grievance shall be processed under this policy unless it is in writing and contains all of the following:
 1. the name and position of the grievant;
 2. a clear and concise statement of the grievance;
 3. the issue involved;
 4. the relief sought;
 5. the date the incident or alleged violation took place;
 6. the specific section of the Policy Manual or workplace safety rule alleged to have been violated; and
 7. the signature of the grievant and the date.
- B. The term "days" means regular business days, Monday through Friday, other than weekends and holidays regardless of whether the employee or his or her classification is scheduled to work. The time within which an act is to be done under this policy shall be computed by excluding the first day and including the last day.
- C. A "grievant" is an employee as defined by state statutes governing this grievance procedure. At the grievant cost and request they may be represented by a person of their choice.
- D. "Workplace safety" means those conditions related to physical health and safety of employees enforceable under federal or state law, or District rule related to: safety of the physical work environment, the safe operation of workplace equipment and tools, provision of protective equipment, training and warning requirements, workplace violence and accident risk.
In accordance with relevant state law, the grievance procedure established by the District permits employees to file grievances over workplace safety. For purposes of that procedure, the following guidelines shall apply:
 1. A grievance can be filed over workplace safety only if the safety of at least one employee is involved (as opposed to the safety of students or visitors).
 2. The issue must concern the safety of a person (e.g., not the "safety" of one's vehicle or other personal possessions).
 3. The grievance must be filed by the affected employee(s) (i.e., one employee may not file on behalf of another).
 4. The individual(s) filing the grievance must propose a specific remedy.
 5. The issue and proposed remedy must be under the reasonable control of the District.
- E. "Discipline" means oral reprimands (where a written record of the reprimand is placed in the employee's file), written reprimands, suspension and demotion. Discipline does not include performance reviews, work plans or corrective actions that do not include a reprimand or other adverse employment action.
- F. "Termination" means discharge from employment. The non-renewal of an individual teacher contract issued, respectively, pursuant to section 118.22 and section 118.24 WI Stats, is not subject to this grievance procedure and is addressed solely under the timelines and procedures mandated by sections 118.22 and section 118.24 WI Stats, as applicable.

PROCEDURES:

First Step

Within ten (10) days after the facts upon which the grievance is based or should have reasonably become known the employee shall present the written grievance to his/her immediate supervisor. The immediate supervisor shall give a written answer within ten (10) days of receipt of the grievance, with a copy to the District Office.

An employee who has been notified of termination may process the grievance commencing at Step 3.

Second Step

If the grievance is not satisfactorily resolved at Step 1, it may be submitted by the grievant to the District Administrator within five (5) days after having received the answer in the First Step. After receipt of the written grievance by the District Administrator, he/she or the designated representative of the District Administrator will meet with the grievant in an effort to resolve the issue(s) raised by the grievance. Within ten (10) days after the meeting, the District Administrator shall respond to the grievance in writing. The District Administrator shall also determine if the grievance is timely, if the subject matter of the grievance is within the scope of this policy and otherwise properly processed as required by this policy. If the District Administrator is aware of other similar pending grievances, she/he may consolidate those matters and process them as one grievance.

Third Step

Upon the written request of the grievant in response to an adverse decision, the decision at the second step may be appealed by a written statement to the District Administrator particularly describing the reason for appeal. If the decision at Step 2 is based in whole or in part on the basis of timeliness, scope of the grievance process or other failure of the Grievant to properly follow the process the matter shall be referred to the Board who shall determine whether the matter should be processed further. If the Second Step decision is on the merits of the grievance only the grievance will be referred to an Impartial Hearing Officer (IHO). The IHO will be designated by the District Administrator. Any costs incurred by the (IHO) will be paid by the School District. The IHO will convene a hearing in the manner the IHO determines necessary. The IHO shall have the authority to administer oaths, issue subpoenas at the request of the parties, and decide if a transcript is necessary. The IHO may require the parties to submit grievance documents and witness lists in advance of the hearing to expedite the hearing. The oral or written statements of students, which would otherwise be hearsay, will be considered by the impartial hearing officer without the direct testimony of students, if other, non-hearsay information is presented.

The burden of proof shall be “a preponderance of the evidence”. In termination and discipline cases, the District shall have the burden. In workplace safety cases, the employee shall have the burden. The IHO may request oral or written arguments and replies. The IHO shall provide the parties a written decision.

The IHO may only consider the matter presented in the initial grievance filed by the employee. The IHO shall have no power to add or subtract from or modify the terms of the Board policy or rule that forms the basis for the grievance.

Fourth Step

Either party may appeal an adverse determination at step three to the Board of Education, by filing written notice appealing the decision of the IHO in the District Office within ten (10) days of the decision of the IHO. The Board of Education shall within thirty (30) days after submission of the appeal schedule the review of the IHO's decision. The review will be conducted by the Board during a closed session meeting unless an open session is requested by the employee. The Board may make its decision based on the written decision of the IHO or the Board may examine any records, evidence and testimony produced at the hearing before the IHO. A simple majority vote of the Board membership shall decide the appeal within twenty (20) days following the last session scheduled for review. The Board will issue a final written decision which shall be binding on all parties.

Timelines

Failure to process a grievance by the grievant within the time limit, or agreed upon extensions, shall constitute waiver of the grievance and will be considered resolved on the basis of the District's last answer. Failure of a management representative to meet the time limits shall cause the grievance to move automatically to the next step in the procedure. To encourage that grievances are addressed in a prompt manner the time limits set by this policy are intended to be strictly observed and may not be extended except in extreme circumstances and then only upon the express written consent of the parties.

Exclusive Remedy

This procedure constitutes the exclusive process for the redress of any employee grievances as defined herein. However, nothing in this grievance procedure shall prevent any employee from addressing concerns regarding matters not subject to the grievance procedure with administration and employees are encouraged to do so. Matters not subject to the grievance procedure that are raised by employees shall be considered by administration which has final authority, subject to any applicable Board policy or directive, to resolve the matter.

STANDARD FOR NONRENEWAL FOR TEACHERS

Teachers employed in the District are subject to nonrenewal on a statutory basis, as prescribed in Sec. 118.22, Wis. Stats. Such nonrenewal shall be exclusively subject to the provisions of section 118.22, Wis. Stats. and is not covered by the grievance procedure under this *Handbook*

STANDARD FOR DISCIPLINE AND TERMINATION

A teacher may be disciplined or terminated for "cause". Such discipline or termination shall be subject to the grievance procedure provisions of this *Handbook*. "Cause" is defined as the following:

- A. There is a factual basis for the discipline or termination: The factual basis must support a finding of employee conduct in which the District has a disciplinary or termination interest; and
- B. Reasonableness of the penalty: The particular discipline or termination imposed by the District must not be unreasonable.

REPRESENTATION

In the event any employee is called to a meeting with representatives of the District for the purpose of issuing discipline or discharge, or for the purpose of investigating circumstances which may lead to discipline or discharge, the employee has the right to request representation. In the event the employee chooses to have representation, the meeting may be delayed, at the discretion of the District, until appropriate representation may be obtained. Nothing in this provision shall prevent the District from removing an employee from the work place if immediate action is required.

DISCIPLINARY MATERIALS

Copies of any disciplinary material(s) shall be provided to the employee before such material is placed in an employee's personnel file. The employee shall have the opportunity to reply to such materials and affix his/her reply to said material.

PROFESSIONAL HOURS/WORKDAY

NORMAL HOURS OF WORK

Teachers are professional employees as defined by the federal Fair Labor Standards Act and the Wisconsin Municipal Employee Relations Act, § 111.70(1)(L), Wis. Stats. Although professionals' work is not limited to any specified number of hours or days per week, the "normal" hours of work for full-time employees in positions authorized as "40 hours per week" are considered to be eight (8) hours per day Monday through Friday including a duty-free thirty (30) minute lunch period. The regular school day for teachers will be from 7:45 AM until 3:45 PM. *The noon recess is included in the regular school day for which the teachers are paid.* Teachers are permitted, with approval of their supervisor, to perform personal errands during the regular school day provided that such errands do not interfere with assigned student supervisory responsibilities. In recognition of time spent in professional activities teachers may leave at 3:30 PM on Fridays and days before holidays.

ADMINISTRATIVELY-CALLED MEETINGS

Staff Meetings: Teachers are required to attend all mandatory administratively-called staff meetings. Administratively-called meetings may begin before the normal workday begins or go later than the end of the normal workday. The number of staff meetings shall be established by the District. The administration shall attempt to provide reasonable

notice of all such meetings. Teachers who are required to attend administratively-called meetings will receive no additional remuneration, above their regularly paid salaries, for attending such meetings.

Other Administratively Called Meetings: The notification and duration provisions of the previous paragraph do not include nor shall they apply to meetings of individual educational plan teams, the preparation of individual education plans, parent-teacher conferences, department meetings or activities of similar nature, which are normally conducted at other times. Teachers are required to attend such events regardless of the date, time or duration of said meetings. Teachers who are required to attend other administratively called meetings will receive no additional remuneration, above their regularly paid salaries, for attending such meetings.

ATTENDANCE AT SCHOOL EVENTS

Teachers are required to attend all mandatory administratively-required school events. These events, though not limited by enumeration, may be a back-to-school night, reading/STEAM/wellness night, music program, art show, parent/teacher conferences and/or other District or building events that occur after the normal workday. Whenever possible, teachers shall be given no less than thirty (30) calendar days' notice of such events. Teachers who have a co-curricular conflict or have pre-approved coursework to attend may be excused at the discretion of the District Administrator and/or his/her designee. Such conflict should be communicated to the applicable administrator as soon as possible before the date of the school event.

CONSULTATION WITH PARENTS

Each teacher shall consult with parents so that parents recognize the important role they play in shaping the attitudes of their children and assume greater responsibility for the performance of their children and for the excellence of our schools. Such consultation may be in the form of phone contacts, electronic mail, home visitations, progress reports, in-person appointments, etc., in addition to the scheduled parent/teacher conferences.

STUDENT DISCIPLINE

Classroom management and discipline are the teacher's purview, and it is their discretion to manage discipline issues in their classrooms. However, there are times when students' behavior warrants disciplinary actions that may occur outside of the classroom or during recess. As with all disciplinary issues, but especially in these cases, guardian communication is essential in corrective action. The guardian is expected to be contacted if one of the following disciplinary actions occur:

1. If you send a student to the office for disciplinary reasons or assign an elementary student recess detention, this should be marked as a "Major" referral, and the guardian needs to be notified by Email or Phone.
2. If the teacher assigns a Lunch Detention (MS/HS), this should be marked as a "Major" referral, and phone contact must be made with guardians. (If parents cannot be reached by phone, a follow-up email shall be sent.)

If an administrator assigns further disciplinary action, they will contact the guardian regarding the additional disciplinary action.

EMERGENCY SCHOOL CLOSURES

In the event the District is closed, full or partial day closures may be made up at the discretion of the District. The District shall, at a minimum make up all days/hours necessary to guarantee the receipt of state aids and/or necessary to meet the minimum annual school year requirements (days and hours) of the State of Wisconsin. Teachers shall not receive additional compensation in the event the District requires such day(s)/time to be made up with or without pupils.

SCHOOL CALENDAR

The school calendar shall be determined by the Board. The school year will be comprised of a total of 186 days, including days taught, in-service, and parent-teacher conferences. The determination of the structure of the days, e.g. instructional, in-service, workdays, etc., shall be at the discretion of the Board.

PROFESSIONAL GROWTH

REQUIREMENT TO REMAIN CURRENT

All teachers shall engage in independent and active efforts to maintain high standards of individual excellence. Such efforts shall include keeping current in each specific and applicable area of instruction, Board established curriculum, as well as continuing study of the art of pedagogy. In addition to maintaining high standards of excellence for the students and school, the teacher will make him/herself available during the contractual year and day to his/her colleagues for assistance, to the District for services beyond those specifically required as part of his/her individual contractual duties, and to the community as a valuable resource.

TEACHER SUPERVISION AND EVALUATION

GENERAL PROVISIONS

The Board and teachers view teacher evaluation as a continuing process for the purpose of improving instruction and

assessing the individual performance of staff members. Definitions under this section:

- B. “Day” and “Days”: The words “day” and “days” in this article mean working school days, excluding holidays, weekends, etc.
- C. “Continuing Teacher”: A continuing teacher is a teacher who has taught at least three years in the District under a full-time or part-time regular teaching contract.
- D. New-to-the-System Teacher: A new-to-the-system teacher is a teacher who has taught fewer than three years in the District under a full-time or part-time regular teaching contract.

 - 2. As of their second contract year in the District, new-to-the-system teachers shall be evaluated at least once annually.
 - 3. Continuing employees shall be evaluated at least every third school year.
 - 4. Nothing herein shall be interpreted as a limitation on the number of formal or informal evaluations that the administration may conduct on any staff member.
 - 5. Assistance, recommendations and directions may, at the discretion of the District, be provided to each teacher in an attempt to correct professional difficulties observed.
- B. Acknowledgement of Receipt and Response: The teacher will acknowledge receipt of all documents related to supervision and evaluation within ten (10) school days. The teacher shall have the right to make any remarks concerning the document(s). Acknowledging receipt does not imply agreement with all or part of the documents received. Any employee wishing to comment on the evaluation or who feels the evaluation was incomplete, inaccurate, or unjust, may reduce those comments or objectives to writing and have them attached to the evaluation instrument to be placed in the personnel file. A teacher may attach a response to any document related to this process after the teacher’s receipt of the evaluation document(s) listed above. The file copy of the evaluation and any comments or objectives shall be signed by both parties to indicate awareness of the content. The following statement shall be part of the instrument: *“The signatures do not indicate agreement or disagreement but merely certify that the opportunity was available for attaching written clarification/objections at the time of signing.”* The response must be initialed by the supervisor.
- C. Copy of Evaluation Procedures: A copy of the evaluation form (My Learning Plan) is available in the District Office.
- D. Professional Development of New-to-the-System Teachers:

- B. Assignment Preference Consideration: Teachers may express in writing to the District Administrator and/or his/her designee their preference of a) school; b) grade level; or c) subject. If a teacher wishes to be transferred to another position which may open during the summer, application for a transfer should be made in writing to the District Administrator and/or his/her designee, who shall give due consideration to such requests (subject to the District Administrator’s or the designee’s authority to assign to all positions the individual who he/she believes is the best fit).
- C. Job Posting: When a position becomes vacant or a new position is created, notice of such available position shall be posted on the District’s website. The employer retains the right to temporarily fill vacant positions at its discretion during the posting and selection period.
- D. Process for Filling Vacancies: An employee who applies for a vacant position, prior to the end of the posting period, may be granted an interview for the position. The District retains the right to select the most qualified applicant for any position based upon stated job descriptions (this restriction does not prohibit the District from considering qualifications that are related to the position and exceed those minimum qualifications listed in the job description). The term “applicant” refers to both internal

candidates and external candidates for the position. The District retains the right to determine the job descriptions needed for any vacant position.

EMPLOYEE RESIGNATIONS

- A. The teacher's individual contract shall be considered binding on both parties. If for any reason a teacher asks for release from the contract, it is understood that the following conditions for release shall apply:
1. The teacher must give the District notice that he/she intends on severing his/her contract with the District. Whenever possible, the teacher must give such notice at least sixty (60) calendar days prior to the date the employee desires the severance to occur.
 2. It is agreed that liquidated damages are due to the District with the sixty (60) calendar day notice of resignation as follows:
 - a. Seven Hundred and Fifty Dollars (\$750.00) if the employee's resignation is effective on or after June 16th and before July 1st.
 - b. One Thousand Dollars (\$1,000.00) if the employee's resignation is effective on or after July 1st and before July 15th.
 - c. One Thousand Five Hundred Dollars (\$1,500.00) if the employee's resignation is effective on or after July 15th, but before August 1st.
 - d. Two Thousand Five Hundred Dollars (\$2,500.00) if the employee's resignation is effective on or after August 1st, but before the start of the school year.
 - e. Three Thousand Dollars (\$3,000.00) if the employee's resignation is effective during the school year.

In the event said teacher breaches this contract by termination of services during the term hereof, the Board may, at its option, demand to recover from the teacher such amount of liquidated damages as set forth above; provided, however, that this expressed intent to liquidate the uncertain damages and harm to the District is not the exclusive remedy or right of the Board, but is, rather, an alternative right and remedy and shall not, unless the Board elects to rely on the same, preclude the Board from seeking and recovering the actual amount of damages resulting from such a breach by the said teacher.

TEACHER ABSENCE AND SUBSTITUTES

When a regular teacher is to be absent from school and a substitute is needed, it is the responsibility of the teacher to call the designated substitute service(AESOP). ***If possible, such notification should be made the evening prior to the time of absence, or before 6:00 a.m.*** This will help to provide time for obtaining a substitute teacher. In addition, a teacher must record absence in employee access for record keeping purposes. Employee Access & AESOP information is on the school website (Facility Links) www.suring.k12.wi.us

EXTENDED CONTRACTS

Additional contract days may be added to the contracted school calendar for each teacher at the discretion of the District. Teachers shall be compensated for said days at their individual contracted per diem rates of pay for each of the extended contract days. Days may be scheduled in full or partial day increments.

REDUCTION IN FORCE, POSITIONS & HOURS

REASONS FOR REDUCTION IN FORCE

In the event the Board determines to reduce the number of positions or the number of hours in any position, the provisions set forth in this section shall apply.

NOTICE OF REDUCTION

The District will provide notice of nonrenewal in accordance with the timelines set forth in § 118.22, Wis. Stats. The nonrenewal notice shall specify the effective date of the nonrenewal and the right to a private conference under § 118.22, Wis. Stats.

SELECTION FOR REDUCTION – STEPS

In the implementation of staff reductions under this section, individual employees shall be selected for full or partial reduction in force in accordance with the following steps:

- A. **Step One - Attrition:** Normal attrition resulting from employees retiring or resigning will be relied upon to the extent that it is administratively feasible in implementing a reduction in staff.
- B. **Step Two - Volunteers:** Volunteers will be non-renewed first. The District will provide the volunteer(s) with a nonrenewal notice. Requests for volunteers will be sent to employees within each grade level, departmental and certification area. An employee who volunteers to be non-renewed under this section will put his/her request in writing. Volunteers will only be accepted by the District if, in the District's opinion, the remaining employees in the department/certification area are qualified to perform the remaining work. Volunteers will be treated as a District-directed nonrenewal under this section of the Handbook.
- C. **Step Three - Selection for Reduction:** The District shall select the employee in the affected grade level,

department/certification area for nonrenewal.

1. Grade Levels/ Departments/certification area for the purpose of this section shall be defined as:

Examples of departments are math, English, history, science, etc. By enumeration no restriction is placed on the number or types of departments. The number and type of departments is at the discretion of the Board.
2. The District shall utilize the following criteria in order of application for determining the employee for nonrenewal:
 - a. Educational Needs of the District: Will be those needs as identified and determined by the Board through normal channels in accord with its constituted authority.
 - b. Qualifications as Established by the Board: Including, but not limited to specific skills, certification [if applicable], training, District evaluations, etc.
 - c. Qualifications of the Remaining Employees in the Grade Level, Department or Certification Area: Relevant qualifications will be those experiences and training that best relate to the position(s) to be maintained and District needs as determined by the Board. These experiences may include but not be limited to current and past assignment and practical experience in the area of need.
 - d. Performance of the Employees Considered for Nonrenewal: Performance of the employees under consideration as previously and currently evaluated. Greater weight may be given to more recent evaluations.

REDUCTION IN HOURS RESULTING IN NONRENEWAL

Employees who are non-renewed and such nonrenewal results in a reduction in hours shall not lose any benefits they have accrued. Benefits are defined as length of service and sick leave earned as an employee. Reduced in time employees shall be treated as part-time employees under this Handbook.

RE-EMPLOYMENT PROCESS

The reemployment process is solely available to employees non-renewed underneath this section. It does not apply to employees non-renewed based upon performance.

IN-SERVICE AND OTHER TRAINING

The District may require teachers to attend in-service and other training, either of which may occur outside of employees' regular hours of work. Additional compensation (if any) for such training shall be determined by relevant law, District policy, and pertinent employment contracts.

The information in this *Handbook* is subject to change. I understand that changes in District policies may supersede modify or eliminate the information summarized in this *Handbook*. As the District provides updated policy information, I accept responsibility for reading and abiding by the changes. I understand that this *Handbook* does not constitute an employment contract or alter my status as an at-will employee unless specifically addressed. I understand that nothing in this Handbook is intended to confer a property interest in my continued employment with the District beyond the term of my current contract (if any). I understand that I have an obligation to inform my supervisor of any changes in my personal information, such as phone number, address, etc. I also accept responsibility for contacting my supervisor if I have any questions, concerns or need further explanation. I understand that I am legally responsible for any fines or fees charged to the school District incurred by me (an example may be a traffic citation, e.g. a parking ticket, received as a result of my operation of a District motor vehicle) or reduction in salary for breach of contract. If any contractual relationship between the District and an employee (or group of employees) conflicts with any provision of this *Handbook*, the contract shall govern with respect to that issue.
