

## Suring Alumni Hall of Fame

Suring Public School District wishes to annually induct one or more distinguished alumni into the Suring Alumni Hall of Fame. The purpose is to provide inspirational role models to students through recognition of past alumni while promoting a legacy of community pride.

The responsibility of the Alumni Hall of Fame Selection Committee is to honor alumni who have gone on to experience personal success in their life endeavors. The committee should consider the following criteria in making the selection:

- Have graduated from Suring High twenty years prior to nomination.
- Have made a significant contribution to their employer, community, and society through service or a distinguished career.
- Have demonstrated those qualities of character, citizenship, and service that form the foundation of a democratic and humane society.

The process for making a nomination is as follows:

- Application completed and signed by the person making the nomination.
- A letter stating why the nominee should be considered for the award and detailing his/her contributions to the field of work/study, to the individual community, or to society as a whole.
- Nominations must be received by the district administrator by **March 1** for spring induction.
- Nominations will remain active for five years. After five years, they can be resubmitted.
- Up to two alumni will be inducted yearly into the Alumni Hall of Fame as selected by the Hall of Fame committee.
- The Alumni Hall of Fame induction will take place along with graduation. The inductee will receive a picture plaque, and another will be placed on the wall of Suring High to honor all award winners.

Nomination forms are available in the student and district offices and online on the district website, [www.suring.k12.wi.us](http://www.suring.k12.wi.us).
