

# SURING SCHOOL NEWS

Greetings Eagle Parents,

As we navigate forward through these unprecedented times, the district is hopeful your student is feeling adequate instructional support. If you have concerns please reach out to your son or daughter's teacher(s).

The team has decided that all students 5K-5th grade will be graded on a pass/fail basis for the 4th quarter and 2nd semester. What does this mean? Any student with regular participation, accurate work turned in and engagement will pass their classes.

Students grades 6-12 will continue to receive standard letter grades. Please know that our teachers are aware that each student's individual situation is different and are willing to work with you. If your child is struggling with work completion, understanding assignments, etc., reach out to the teacher. We can only support you if we have knowledge of your concern.

All teachers working for the School District of Suring are regularly checking email and school voicemail. The staff is virtually meeting weekly to discuss how best to support the students of the district and to offer one another tips on what is working and how we can improve.

Our last day of instruction will occur on Friday, May 29, 2020 with Chromebook, textbook and work turn in the first week in June. There will be more information on this in the coming weeks.

Sincerely,  
Suring Administration

## CLASS OF 2020

*May 21st will be seniors last academic day!*

Although we are hoping to hold a formal graduation ceremony in the summer, we would like to commemorate what would have been your graduation date!

### **Save the Date:**

Saturday, May 23, 2020 1:00pm Senior Car Parade through the Village!  
Information to follow!

## Shout Out to the Suring Food Service Crew!

The district is supplying food support to roughly 250 children during the Safer at Home school closure. Awesome job to the kitchen staff for preparing the food, and to staff members who help hand out the items.

Unfortunately, we do have some families that neglect to pick up the items. To allow us to best serve all of the children of the district, please be sure you don't miss pick up!

*Food and Packet Pick-Up Every Tuesday @ Suring Schools (8am-6pm) or Mountain Community Center (3-6pm)*

## Good News!?

Is someone doing something awesome that is really helping your child to be successful?

Please reach out to us and share that news. Just like your child thrives on feedback and is missing that personal connection, so do our staff members.

## THANK YOU! Referendum 2020

THANK YOU. Your support of the District's referendum on April 8, 2020 was very much appreciated. With the passage of the referendum the Suring Public School District will continue to maintain quality educational programs, services and opportunities for children.

We are so proud to be a part of a community who believes in the value of providing an innovative, well-rounded educational experience for our students in a well-maintained facility.
