## AUGUST 2022

EVERY ADOLESCENT GROWS IN LEARNING EVERY DAY IN SURING  
BY BEING SAFE, OUTSTANDING, ACCOUNTABLE, AND RESPECTFUL

### Back to School Open House!

Join us August 31st from  
4:00pm - 6:00 pm

We will have an open house where students of all ages can meet their teachers, pick up schedules and supplies, and tour the school.

**Suring Pride Fridays:**  
Please join us every Friday by wearing purple and gold to show your Eagle Pride!

Parents and Community Members,

Summer seems to go by quickly as we continue to prepare our school facilities and classrooms for the return of students and an exciting new school year. Thursday, September 1<sup>st</sup> will kick-off our first day of school for the 2022-23 school year.

I have had the pleasure of coming back to Suring School and helping out and have very much enjoyed my time working with students, staff members, the board of education, and the community. The Suring community has had a long history of supporting children and their schools, I hope each of you realize how much your support is appreciated. Working with the board members over the past several months has shown me how dedicated and community minded our board members are, there is no doubt that they want the best for students and the Suring community. The board members are working very hard to put the right person in place to lead the Suring District with a fresh start to a new school year. The hope is to have a new superintendent in place by the first day of school.

As we start the new school year there are a couple of items that I feel are important to bring to your attention. Over the past couple of years during the COVID period, the federal government provided funding for schools to supply free breakfast and lunches for all students. Unfortunately, the federal food funding will not be in place starting this school year. Information on school meal costs is included in this packet. I encourage you to utilize the application for Free and Reduced price meals that is found in this mailing. School staff will be available during the August 31<sup>st</sup> Open House to help with the application process, please be sure to take advantage of this opportunity.

I also want to make you aware of the importance of school safety for our students and staff members, school safety is a high priority for our school board. School safety includes deterring the use of vapes in and around the school. Being a PK-12 shared building, it becomes a greater challenge to keep all our students in a safe and positive learning environment. Deterring the use of vapes with the use of sensors, proper procedures, early communication with parents, and positive education will help us to better provide a safe school for all our students. The support and help from our families will greatly assist in maintaining a safe school. If you have questions or concerns on this issue, please be sure to speak with a school administrator.

It has been an honor and pleasure, to once again, be an Eagle and part of the Suring School District.

Wishing You the Very Best,

Todd Carlson

**Student Information Update\*\*\*\* OPENS ON MONDAY, AUGUST 15<sup>th</sup> \*\*\*\***

The Suring School District is using the Online Student Information process which allows the District to become "paperless." This process eliminates the need for parents to fill out paper copies of the state-law required forms. If you currently have a student enrolled at Suring School District, you are able to use this feature; unfortunately, you cannot use it if your child is new to the district.

To get started, you must have a Family Access account. If you do not have Family Access or cannot remember your login, please do one of the following: contact the student office after August 15th between the hours of 7:30 am and 4:00 pm or attend our Back-to-School Day tutorials in room 103 (Conference room) on August 31st. **Please contact the student office with any questions: Elm/MS (920) 842-2181 ext. 1002 or MS/HS (920) 842-2182 ext. 1001**

**\*\*Attention Dual/Split Families ONLY** – Due to a default setting in Skyward, only the parent/guardian listed as Family #1 is able to sign the electronic signature portions of the Student Information Update. At this time, we are unable to change this option. If you are the parent/guardian of family #2 and would also like to sign a paper copy of the documents, please contact the student office to do so and it will be placed in the student's file as well.

**How to Update Student Information online using Family Access (Remember: this process takes the place of forms being sent home with your child).**

Dear Eagle Families:

I hope you are all having a fantastic summer and have had the chance to relax and enjoy the beautiful weather we have had. We have been busy here at school with summer school and preparations for the fall. Our summer programming included academics, swimming, music, and many enrichment activities. It was wonderful to see so many smiling faces over the summer!

The staff have been hard at work preparing for another enriching school year. We are excited to share new curriculum and courses with the Suring School Community, including new AP courses, new middle school electives, and new elementary English Language Arts curriculum. Thank you so much to all the teachers for their hard work over the summer.

Looking Forward to Seeing You Soon!

### Suring Technology Update

As the School District moves forward with the one-to-one initiative of getting devices to 6-12 students, the district is initiating a Accidental Damage program called Chrome Care. Technology fees for 2022-2023 school year will be \$25.00, for grades 6-12.

2. Damage resulting from liquids coming into contact with the device;
3. Hardware failure resulting from, for example, internal dust and overheating, power surges, and defective screen pixels; and
4. Normal wear and tear resulting from device manufacturer's intended use of the device.

Accidental Damage Protection does not cover damage resulting from any of the following:

1. Using the device in a manner other than intended by the manufacturer;
2. Willful acts of abuse or misuse of the device;
3. Lost or stolen devices; (including power adaptors) or
4. Damage due to war, acts of terrorism, fraud, fire, or theft.

There are no changes for grades K-5 concerning chromebook repair.

### BE INTERNET SMART

#### Share with Care.....

Good (and bad) news travels fast online, and without some forethought, kids can find themselves in tricky situations that have lasting consequences. The solution? Learning how to share with those they know and those they don't. Communicate Responsibly

- Encourage thoughtful sharing by treating online communication like face-to-face communication; if it isn't right to say, it isn't right to post.
- Create guidelines about what kind of communication is (and isn't) appropriate.
- Keep personal details about family and friends private.

### 2022-2023 School Year Fees

Bypass the lines and pay your fees either online or in the student office prior to Open House August 31, 2022! You can take care of this beginning on Monday, August 15, 2022.

**Defining Sportsmanship (sports'-man-ship')**

Good sportsmanship is viewed by the National Federation as a commitment to fair play, ethical behavior and integrity. In perception and practice, sportsmanship is defined as those qualities which are characterized by generosity and genuine concern for others. The ideals of sportsmanship apply equally to all activity disciplines. Individuals, regardless of their role in activities, are expected to be aware of their influence on the behavior of others and model good sportsmanship.

**Sportsmanship Matters**

**Fundamentals of Sportsmanship**

1. Show respect for self and others at all times.
2. Show respect for the officials. Sportsmanship implies the willingness to accept and abide by the decisions of the officials.
3. Know, understand and appreciate the rules of the contest. Sportsmanship suggests the importance of conforming to the spirit, as well as the letter of the rules.
4. Maintain self-control at all times. Don't let the desire to win overcome rational, safe behavior.
5. Recognize and appreciate competitive skill regardless of team affiliation.

### SURING PUBLIC SCHOOL DISTRICT Parking/Dropping Off Information

#### Transportation Information

Students in Early Childhood through Grade 12 are provided bus transportation to and from school. Busses arrive at school approximately at 7:45 am. There is always the possibility that busses may be slightly off schedule. Students should be ready and waiting for the bus at the pick-up location 5 minutes prior to the scheduled pick-up time. When students are dismissed for the day, the busses will leave school at approximately 3:25 pm. Lamers will stop at your home on three different consecutive school days and if no one is there they will not go again until someone calls to say your child will again need a ride. If you will be having your child attend school in the Suring Public School District for the first time, please contact Lamers at the Suring Terminal at (920)842-2937. Peggy Gordon from the bussing company will answer any questions you may have about transportation.

Returning families will receive information the last week of August with bus times. If you do not hear from Peggy, please contact her at the number noted above.

#### Bus Passes

Please see the Elementary Handbook, pg.29 for updated procedures.
