Annual Meeting Budget Message  
8-15-11**

To The Electors:

Welcome to the Annual Meeting of the Suring Public School District and thank you for taking an active part in the important job of educating our children.

As board members and administration, we wanted to make the budget and operation of our district easy to understand. The information provided is for the purpose of helping you become better acquainted with your school. Sections of this booklet have been color coded to help separate important areas of information.

Minutes of the August 16, 2010 Annual Meeting (Pink)

General School Information (White)

Preparing this year's budget has been extremely difficult. School districts in Wisconsin continue to operate under legislative revenue caps. The revenue caps are determined by a districts' student enrollment. This year the revenue caps were reduced by over \$500 per student resulting in \$240,000 less revenue for the district. The state also reduced the statewide education budget in Wisconsin by \$800 million dollars resulting in further cuts in education.

Keep in mind that this budget is tentative since the final tax rate and levy will be set in October 2011 when the equalized valuation is certified by the Wisconsin State Department of Revenue.

The board presents to the public a budget for the 2011-12 school year with a general fund tax levy of \$4,198,917 with a debt service levy of \$344,250. This compares with our 2010-11 general fund tax levy of \$4,492,492 and debt service levy of \$337,563.

The board and administration would like to thank all those who volunteer their efforts in making a good school system even better. The Suring Public School District will continue to request your suggestions for improvement and support for our school programs. We strive to educate our students at a reasonable cost while serving the goals of society and our community. This task is challenging, but with your cooperation and support, we can achieve our mutual goal of an excellent educational system.

If you have questions concerning our school or its operation, please feel free to contact me or any school board member, administrator, or teacher to get first-hand information. Your continued support of the Suring Public School District and its educational programs is greatly appreciated.

Respectfully submitted,

Dennis Piepkorn – School Board President
