Greg Jaeger presented his building and grounds report. The request for asphalt and carpet replacement bids will be extended due to the low response. Greg requested an increase in the summer help hours in order to complete the summer projects. Greg has completed the following site repairs: Passpoint upgrade, truck repair, door repairs, high school gym floor refinish, and asphalt maintenance. The elementary gym floor will have a durable and less slippery wax applied. Greg feels that with proper maintenance and continued monitoring, the floor should hold up better than it has in the past. Mr. Ray shared the details of his 2013-14 preliminary budget. This is only a preliminary budget and the levy and budget will not be certified until the end of October. At this time the preliminary budget is showing a deficit, however, we will be receiving revenue from the federal forest funds which is not included in the budget at this time.

Mr. Jaeger also stated that Officer Nick School is a tremendous asset to monitoring the activities of students during the noon hour open campus.

Mr. Ray and Mr. Huisman met with Jeremy Pach, Gillett Secondary Principal, regarding a softball/baseball sports co-op with Gillett. A decision needs to be made by June 1, 2014 for spring sports. Mr. Ray will set up a meeting with the administration/board committee in Gillett to see if there is an interest on their end. At that time, an ad-hoc committee should be formed to discuss each district's needs.
